Narrative text

On 05 December at approximately 20:00 hrs, Officer Castro, Moscovitz, and I were investigating the report of an unknown individual sitting in the student union. Upon approaching, we spoke to the individual now known as [REDACTED] who, in casual conversation, stated he was not a student but simply a visitor to campus. R/Lt furthered our conversation with inquiries as [REDACTED] left campus to return home. Mr. [REDACTED] informed us he was on campus recently and disagreed with students concerning Middle Eastern politics. As we had a continuing conversation during his exit from campus, his license plate and complaint of a parker citation were noted, and both were used to identify him later. Upon returning to the station, a previous disturbance report was referred to and confirmed our suspicion that this may be the same individual document in 2023-0350 [REDACTED] has not been on campus since he was identified, and this supplemental report is being created to document the subsequent investigation's findings,
